Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The examiner proposed numerous amendments to correct for typographical errors, and to ensure consistency in the claim language. Additionally, the examiner proposed cancelling a duplicate claim 41, which was numbered claim 41 but recited different limitations from the "other" claim 41. New claim 47 was added which recites the exact same limitations as the cancelled claim. Applicant's attorney authorized the amendments.
